Student Dress Code

Our Student Dress Code consists of an agreed standard of dress for students who attend our school. The uniform for students is developed by the Parents & Citizens Association following consultation with parents, staff and students. The school uniform is regarded by the school community as being important in its role in encouraging a sense of self-esteem, belonging and self-discipline in students through to their adolescence. Students should present in a neat and tidy manner at all times, including on their way to and home from school. This high standard will ensure that our students continue to represent themselves and the school in an outstanding manner.

Statement of intent:

The Student Dress Code applies to students when:

- Attending or representing our school
- Travelling to and from school
- Engaging in school activities out of school hours

Aims of the code:

Our uniform aims to contribute to a safe and supportive learning environment through:

- Ready identification of students and non-students at school
- Fostering a sense of belonging
- Developing a mutual respect among students by minimising visible evidence of economic or social differences

Relevant Legislation and Policy

This policy has been developed in accordance with the Education (General Provisions) Act 2006 (Sections 360-363) and the Department of Education, Training and Employment's policy *SMS-PR-022: Student Dress Code* in relation to implementing student dress codes in Queensland State schools. It clearly explains and documents the standards of acceptable dress at Shailer Park State School. The school Dress Code is endorsed by the P & C Association.

Special Circumstances

In instances where cultural or religious beliefs conflict with this standard a parent or carer must consult with the school principal or delegate. An exemption from part of the dress code may be negotiated in exceptional circumstances. Parents seeking exemptions to the Code due to religious beliefs, ethnic or cultural background, student disability, health condition or economic hardship must apply in writing to the principal ***for consideration***. Payment plans can be made for families experiencing economic hardship.

Responsibilities

Parents are responsible for ensuring their children *wear a correct, presentable and a clearly labelled uniform—including the school hat to school each day*. On the rare occasion that this is not possible a written explanation or phone call explaining the reason is required. This will be accepted for specified and temporary reasons rather than long-term waivers of the uniform expectations.

The **P&C Association** is responsible for consulting with the school community regarding uniform information and managing the uniform shop.

The **Principal** is responsible for enforcing the code, providing the Student Dress Code to families at the time of enrolment and ensuring that the Student Dress Code and its application comply with both EQ policy and the Education (General Provisions) Act 2006.

Teachers are responsible for expecting all students to wear their correct uniform each day and requesting a note from home explaining why students are not in uniform. Teachers may work in partnership with families experiencing difficulty in having the full school uniform.

If a student does not comply with the student dress code, developed under section 360 of the Act, the school’s principal may only impose one of the following sanctions-

1. Prevent the student from attending, or participating in any activity for which the student would have been representing the school;
2. Prevent the student from attending, or participating in, any school activity that, in the reasonable opinion of the school principal, is not part of the essential educational program of the school.
3. If a student continues to be out of uniform and fails to complete the detention, this will be considered as ‘wilful disobedience’ and as such students may be suspended from school.
4. Temporarily offer the student correct uniform items from a uniform bank

- ***Eliminating distraction of competing in dress and fashion at school***
