

## Fly Swat

### Materials

- Fly swats (you can buy cheap swats from grocery stores or dollar shops)
- Number Flashcards

### Instructions

- Grab the fly swat cards and spread them out on the kitchen table or carpet.
- Give all the players a fly swat.
- Call out a number and get the players to hit it with their fly swat.
- Once they have hit the correct number, they have to count to that number from 0.
- Give the players a turn by themselves so they can concentrate on the number.
- If they get the number correct, they can keep the card.
