## Fly Swat

### Materials

- Fly swats – you can purchase cheap swats from grocery stores and dollar shops
- Alphabet flashcards

### Instructions

- Grab the fly swat cards and spread them out on the kitchen table or carpet.
- Give all the players a fly swat.
- Call out a letter and get the players to hit it with their fly swat.
- Once they have hit the correct letter, they have to tell you the sound it makes and a word that starts with that letter.
- Give the players a turn by themselves so they can concentrate on the letter.
- If they get the letter correct, they can keep the card.
