

Musical Chairs

Materials

- 6 chairs in a circle on the carpet
- CD player and music
- Alphabet Flashcards or letters written on scrap pieces of paper

Instructions

- Spread out some chairs in a circle on the carpet.
- Grab the alphabet flashcards and put one alphabet card on each chair. Choose either lowercase or capital letters.
- Play a song on the CD player for 10 seconds and stop the music.
- Once the kids have sat down get them to hold up the letters they are sitting on. They need to tell you the letter name and the sound it makes.
- Get them to put the cards back on the chair and start the music again. Keep going until your child has stopped at all the letters.
- Once they have done all the letters, change them over with 6 new letters. Keep playing until their interest fades.
