

Musical Chairs

Materials

- 6 chairs in a circle on the carpet
- CD player and music
- Number flashcards or numbers written on scrap pieces of paper

Instructions

- Spread out some chairs in a circle on the carpet.
- Grab the number flashcards and put one number card on each chair.
- Play a song on the CD player for 10 seconds and stop the music.
- Once the kids have sat down get them to hold up the number they are sitting on. They need to tell you the number name and count to that number from 0.
- Get them to put the cards back on the chair and start the music again. Keep going until your child has stopped at all the number.
- Once they have done all the numbers, change them over with 6 new numbers. Keep playing until their interest fades.
