On the Road to Success

Number Pegs

Materials
- Number Peg cards (see attachment)
- Pegs with numbers written on them

Instructions
- Spread the number cards out on the table.
- Give your child a peg and get them to find the matching card. They will need to search for the card that has the same number of dots.
- Once they have found it, count the dots together to check, then they can put the peg on the card.
- Keep going until all numbers have been pegged.
- Now work together to place the cards in order from 0-10. You will need to work on it together and count to make sure they are in the right order.
