

Paper Plate Counting

Materials

- 10 paper plates (with a separate number on each plate from 1-10)
- Large collection of objects – e.g. lollies, marbles, pegs, clips, pebbles

Instructions

- Spread out the plates on the table/floor.
- Get your child to help you put them in order from 1-10.
- Count each plate, once you have put them out, making sure your child is touching each plate as they count.
- Give your child the objects and ask them to count the number of objects for each plate to match the number.
