Playdough Mats

Materials

- Playdough
- Dice
- Playdough mats (see attachment)

Instructions

- Give your child a playdough mat and explain to them what they need to make.
- Roll the dice on the floor and get them to tell you the number.
- The kids have to make that many objects to match their playdough mat.
- Count the objects on the board once they have finished making them.
- Scrunch all the playdough back up again and roll the dice again.
- Repeat the activity until the child loses interest.
