Loganholme State School – Strategic Plan 2013-2016

**Our Purpose:** To advance the literacy and numeracy skills of all students through appropriately targeted, learning experiences in an engaging school environment, where each child’s academic, social, cultural and physical abilities are continuously improved through the development of their skills, knowledge and ways of working.

<td><strong>Goals</strong></td>
<td><strong>Leadership Team to continue to demonstrate a strong conviction that improved teaching is the key to improved student learning and have clear and well-known positions on what they wish to see occur. Teachers to deliver high quality teaching focussed on the achievement of every student using data on a regular basis to monitor the effectiveness of their own efforts to meet these targets. The school to implement a systemic plan for collection, analysis and use of student data.</strong></td>
<td><strong>Leadership Team to maintain a high quality workforce with a focus on continuous improvement through instructional leadership and adopting personal responsibility for driving school improvement. Teachers to show a commitment to their profession by placing high priority on implementing better teaching methods and evidence based teaching strategies. Students to engage as active self-directed learners in a safe and supportive environment. Building capacity of leadership from Principal down to the student body.</strong></td>
<td><strong>Build and maintain positive partnerships between students, staff, parents and wider community members that support a positive, respectful, inclusive learning environment through school programs, school events, and effective communication. To build a school ethos around high expectations and a commitment to academic excellence.</strong></td>
</tr>
<tr>
<td><strong>Systemic Delivery of Curriculum</strong></td>
<td><strong>Effective Teaching Practices</strong></td>
<td><strong>An Explicit Improvement Agenda</strong></td>
<td><strong>A Culture that promotes Learning</strong></td>
</tr>
<tr>
<td>✓ Literacy the Loganholme Way</td>

## Loganholme State School Strategic Plan 2013 - 2016

### Leadership
- **Curriculum**
  - Continue with school Curriculum Framework to ensure:
    - Curriculum being taught is in accordance with EC policy, (eg ACARA).
    - Whole School programs
- **Practice**
  - Continue with the school Pedagogical Framework to ensure:
    - Consistency in the approach to both Literacy and Numeracy in every classroom, every day.
    - Differentiation: To exist in teaching episodes using the strategies outlined in this framework and in homework using the proficiency levels.
- **Leadership**
  - Continue with school “Prevention, Intervention & Extension” strategy to ensure:
    - Strategic use of data
    - Prevention strategies are employed from time of Pre-prep.

### Community
- Curriculum Engagement: Parent Education Evenings for all curriculum initiatives, Classroom and Specialist Newsletters and Parent teacher Interviews in both Term 1 and Term 3.
- School Events: Combination of both daytime and night time events to cater for both working and non-working parent groups.
- Parent Satisfaction: Responsible Behaviour Plan for students.
- Partnerships: Little Kingfishers, Special Needs, Intervention, Classroom Support, Homework program, Before and After School Programs

### Targets & Indicators
- **Curriculum**
  - Vertical alignment of year level planning.
  - NAPLAN Results
  - One-school Data
  - Whole school programs aligned with ACARA
- **Practice**
  - NAPLAN results with an increased number of students above the NMS, increased MEAN and shift of students to the right in NAPLAN band allocations.
  - PAT DATA is used to data map students as teachers are targeting each child. This process to eventually be teacher (rather than leadership team) driven.
  - Individual Goal Setting (like learning ladders) owned and driven by the classroom teachers.
  - Teachers routinely use objective data on student achievement as evidence of successful teaching.
- **Leadership**
  - NAPLAN results with an increased number of students above the NMS, increased MEAN and shift of students to the right in NAPLAN band allocations.
  - PAT Test Data to show an increased number of children to have achieved beyond statistical growth each year.
  - School Opinion Survey results to improve in all aspects of Students, Parents and teachers each year as the school has the opportunity to develop stability.
- **Community**
  - Level of engagement from community to be evidenced at school events both day and night.
  - School Opinion Survey to indicate more positive relations and community satisfaction with the school.
  - P&C as a body is able to develop and implement a strategic plan aligned closely with the school.

### Certification
This strategic plan was developed in consultation with the school community.
